

Flag

Translucent, slightly glossy, high breaking strength

Due to the nature of fabric, where colour matching, fine text or line detail is of vital importance to the graphic, we would recommend that you invest in a printed sample of a full size crop of your artwork on the desired textile.

Fabric Usage

Promotions
Events
Theatres
Museums & Exhibitions
Exhibition Walls, partitions and ceilings
Flag display systems
Backdrops
Tension frame systems

Maximum Fabric Print Width

3030/5000mm
