

# Taffeta

Fine structured polyester, excellent colour, water resistant

Due to the nature of fabric, where colour matching, fine text or line detail is of vital importance to the graphic, we would recommend that you invest in a printed sample of a full size crop of your artwork on the desired textile.

## Fabric Usage

Ideal for reveals, flags and flag displays, in-store promotions, events and communications.

## Maximum Fabric Print Width

3050mm

## Fire Rating

B1

## Fabric Weight

130gsm

## Washable Fabric

30° degrees wash

## Print Process

Dye Sublimation or UV Print

## Fabric Print Finishes

Hot knife trimming  
Laser trimming  
Hemmed with eyelets  
Flat horizontal pockets  
Hook and loop applications  
Tension mounting
